There are so many countless moments that our Heavenly Father deserves our praise, deserves our time, deserves our acknowledgment of His presence in our lives. 31+ Divine Heavenly Greetings is loaded with 43 statements of appreciation and two short poetic expressions that say nothing less than "Thank You Lord".

T.S. Wilson - "Faith" embraces every angle of thanksgiving from just waking up in the morning to fighting the enemy with the word of God. These Heavenly Greetings are sure to confirm, spark or fuel something already in your spirit. The writing space below each statement allows the reader to jot down their personal reaction(s) and internalize their experience in a more intimate manner. Be prepared to take your spiritual journey to the next level. Much like "Faith" states in her book titled 31 Spiritual Quotes it's Not by Sight, All By Faith.

The *only* opinion
of us that *matters*
is what our Heavenly Father
thinks of us.
